

Next Generation Woman Leaders 2022

Asia Pacific - 3.0 | June 9-10

The Next Generation Women Leaders Asia-Pacific program kicks off with a two-day virtual event on June 9-10 where attendees will explore the importance of women in leadership, develop a sense of connection and create a long-lasting community. The program will continue with weekly workshops and informative virtual sessions throughout July.

The program is open to women based in the Asia-Pacific region who are current Bachelor's, Master's, PhD, or MBA students graduating no later than 2022 OR professionals with up to eight years of work experience.
